

## Put your foot down.

At \$69,990\* for the new Elise S, it's about time you did.

There are times in your life when you are required to take decisive action and with the new Elise S at just \$69,990\* there is no longer any excuse not to. The new Elise S offers a spectacular package, leading the competition in its class in performance and handling. Powered by a new and advanced VVT-i engine, the car travels from 0 – 100km/h in 6.1 seconds which, when matched with a suspension crafted to deliver optimum response, provides the perfect balance – a true Lotus. Now with driver and passenger airbags, ABS and air conditioning amongst a host of other features as standard, the Elise S combines peerless performance and excitement with comfort and obliging controls to produce the ultimate sports car. The Elise S says everything about the individual it is and you are. Put your foot down, contact us today.
