## RATE CARD

<b>Rescue Me \$30/hour</b>	For those who are happy with the content and structure of their resume. The Rescue Me package is a design only package. Make your resume stand out.
<b>Interview Summary Page \$50</b>	A one page summary of your resume to present to your prospective employer. Following the same design theme as your resume, all of the hard hitting points from your resume will be right in front of your potential employer.
<b>Soft Copy \$50</b>	Perfect if you are applying for more than one job. The final version of your resume will be supplied as a Microsoft PowerPoint (.ppt) file. This option gives you the ability to change your cover letter and the order of your content specific to the needs of the positions you are applying for.
<b>Additional Charges</b>	Package will take between 1 and 3 hours depending on the use of existing layouts or sourcing a new layout just for you.

All resume packages include:

Phone interviews, review, design and 2 client revisions.

Draft versions will be watermarked and of low image quality.

Final version will be supplied as a high resolution PDF (for print) and a standard resolution PDF (for email distribution).
